Who's coming, and how this works

THE SIX OF US

Couple	Starts from	Goes home to
Ricardo & Annabelle	Lisbon	Málaga
David & Danica	Aarhus, Billund, or Copenhagen by train	Aarhus
Antonis & Eleni	Athens or Thessaloniki, whichever is cheaper per city	Antonis: Abu Dhabi · Eleni: Athens

HOW THIS WORKS

- Cities scored on journey 30, stay 30, cost 40
- Things to do shown as facts, not scored
- A&E fly from Athens or Thessaloniki, whichever is cheaper
- Money: three draft options, the group decides
- Sealed bids from all six, opened together

Four pass-or-fail gates, measured door to door

G1

Door to door

10 h or less each way (12 h for Antonis to Abu Dhabi); trains up to 3 h 30; one change at most

G2

No 1 Jan travel

Nobody travels on New Year's Day

G3

Arrival comfort

Everyone at the flat by 23:00 on 29 Dec, by public transport still running

G4

Departure comfort

Nobody leaves the flat before 06:30 on 2 Jan; everyone home that day

15 min tolerance: a city that misses by 15 minutes or less stays in and loses 0.3 Journey points per minute. One minute should not decide the trip.

Door to door = transfer to the airport + 90 min buffer (180 for long-haul) + flight + 30 min for bags + public transport to the flat.

22 cities in, 12 scored, 3 close at the top

22

Cities re-screened against the new gates

Live fares on two sites, Copenhagen train option for D&D, airport transport from official sources

12

Scored: 8 pass, 4 kept by the 15-min tolerance

Berlin 1 min, Barcelona 4, Amsterdam 8, Paris 15

3

Close at the top

Athens 76.9 · Copenhagen 73.0 · Berlin 72.2 · Rome 70.7

Five fail mainly on Antonis's trip home: no 2 Jan flight to Abu Dhabi without a 01:00–04:00 start or a 12-hour-plus journey (in Porto, Eleni would also only get home on 3 Jan). The other five also fail for R&A or D&D: no direct flights, 10-hour-plus journeys or no same-day return. Every reason is on slide 6.

Why ten cities are out: every reason

City	Gates	Every reason
Lisbon	G4	D&D's only same-day flight home leaves 07:05, so they would leave the flat about 05:05, before the metro opens. Antonis would leave the flat about 04:45 for Etihad 08:15. D&D via the Copenhagen train would take 10h05–10h20 (only the Billund route passes). Lisbon is R&A's start city.
Thessaloniki	G1, G4	No direct flights for R&A or D&D. R&A 10h10 out and 11h10 home (1 stop each way). D&D 10h05 out, and their only same-day return means leaving the flat about 05:50 and 16h45 door to door. Antonis 12h25 home via Istanbul.
Antalya	G1	No direct flights out for R&A or D&D. R&A 11h30 out and 11h45 home. D&D 11h25 out on a €2,276 ticket via Frankfurt, 10h15 home. Antonis 13h00 home via Istanbul.
Budapest	G1, G4	Antonis only: no flight landing in Abu Dhabi on 2 Jan leaves after 07:50, so he would leave the flat at 04:04 and take 12h56. Everyone else passes.
Belgrade	G1, G3, G4	Antonis would leave the flat at 03:53 and take 12h57 home. R&A's direct flight lands 22:05, so they reach the flat about 23:35; their alternative takes 10h07.
Porto	G1, G4	Antonis would leave the flat at 01:22 and take 14h53 home. Eleni's flight home lands in Athens on 3 Jan.
Málaga	G1, G4	Antonis: the only 2 Jan flight to Abu Dhabi ever seen means leaving the flat at 02:38 and 14h37 home; none was found on 15 Oct. Málaga is R&A's home city.
Seville	G1, G4	Antonis would leave the flat about 03:45 for the 06:30 flight and take 14h30 home; no later flight lands on 2 Jan.
Marrakech	G1, G4	Antonis would leave the flat about 02:00 and take over 14h10 home. Other legs were not checked once his failed.
Rovaniemi	G1, G3, G4	R&A land at 01:00 on 30 Dec, and their 29 Dec option takes over 10 h. Antonis needs two stops and a 05:20 departure; one-stop options land on 3 Jan.

G1 door to door (10 h, 12 h for Antonis home) · G3 at the flat by 23:00 · G4 nobody leaves before 06:30 on 2 Jan and everyone is home that day.

The basis: journey 30, stay 30, cost 40

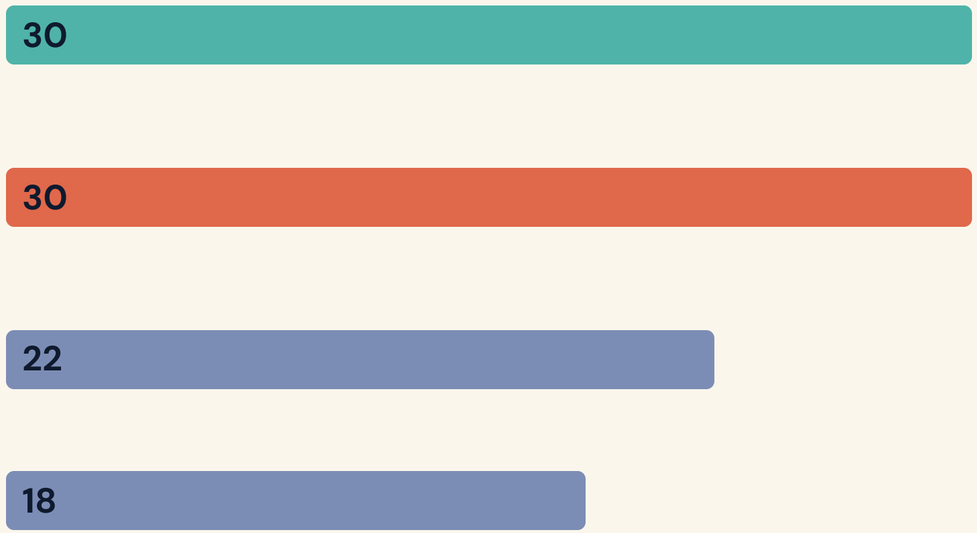

POINTS OUT OF 100

Journey
Door to door, arrival/departure times, direct flights home

Stay
Location, rating, comfort, standard, flexibility

Budget fit
Each couple's share vs their budget

Group total
The trip bill for six

HOW EACH IS SCORED

Every criterion scores 0–10 on a straight line between two ends (for example door to door: 10 at 5 h, 0 at 10 h), then takes its weight.

The flat that counts is the eligible one that gives the city its best total: on Booking.com and within 40 min of the centre and the party. Bedrooms and the cancellation date are checked on the booking page before paying.

Airbnb options are shown, not scored: none showed its cancellation terms.

THE MONEY · DRAFT FOR THE GROUP TO DECIDE

Three ways to split the money

RECOMMENDED

1 Share the trip, Abu Dhabi on Antonis

Everyone's flights there and back, the flat and transfers split in 3. Antonis counts as flying back to Athens; his Abu Dhabi extra is his own.

+ Where we go is a group choice, so nobody pays more for living further away

- In Athens, A&E pay a third of the others' trips while travelling nowhere

Copenhagen: R&A €1,070 · D&D €1,070 · A&E €1,472

2 Share everything

Same as 1, but Antonis's Abu Dhabi ticket goes into the pot too.

+ Simplest: one bill, three equal shares

- The others pay for Antonis's long-haul flight home

Copenhagen: R&A €1,204 · D&D €1,204 · A&E €1,204

3 Own way

Each couple pays its own flights; only the flat and transfers are split.

+ You pay exactly for your own trip

- Big gaps between couples, and each couple's cheapest city looks best to them

Copenhagen: R&A €1,183 · D&D €813 · A&E €1,616

Nothing is agreed yet: these are scenarios to discuss together. A&E amounts include Antonis's Abu Dhabi ticket in all three, so they compare like for like. Bags, food, drinks and NYE dinner are outside every option.

What each option means for each couple

Per couple	Athens	Copenhagen	Berlin	Rome
Option 1 · R&A	€1,328	€1,070	€1,103	€1,219
· D&D	€1,328	€1,070	€1,103	€1,219
· A&E	€1,863	€1,472	€1,406	€1,774
Option 2 · R&A	€1,506	€1,204	€1,204	€1,404
· D&D	€1,506	€1,204	€1,204	€1,404
· A&E	€1,506	€1,204	€1,204	€1,404
Option 3 · R&A	€1,456	€1,183	€1,092	€995
· D&D	€2,025	€813	€1,114	€1,655
· A&E	€1,039	€1,616	€1,405	€1,564

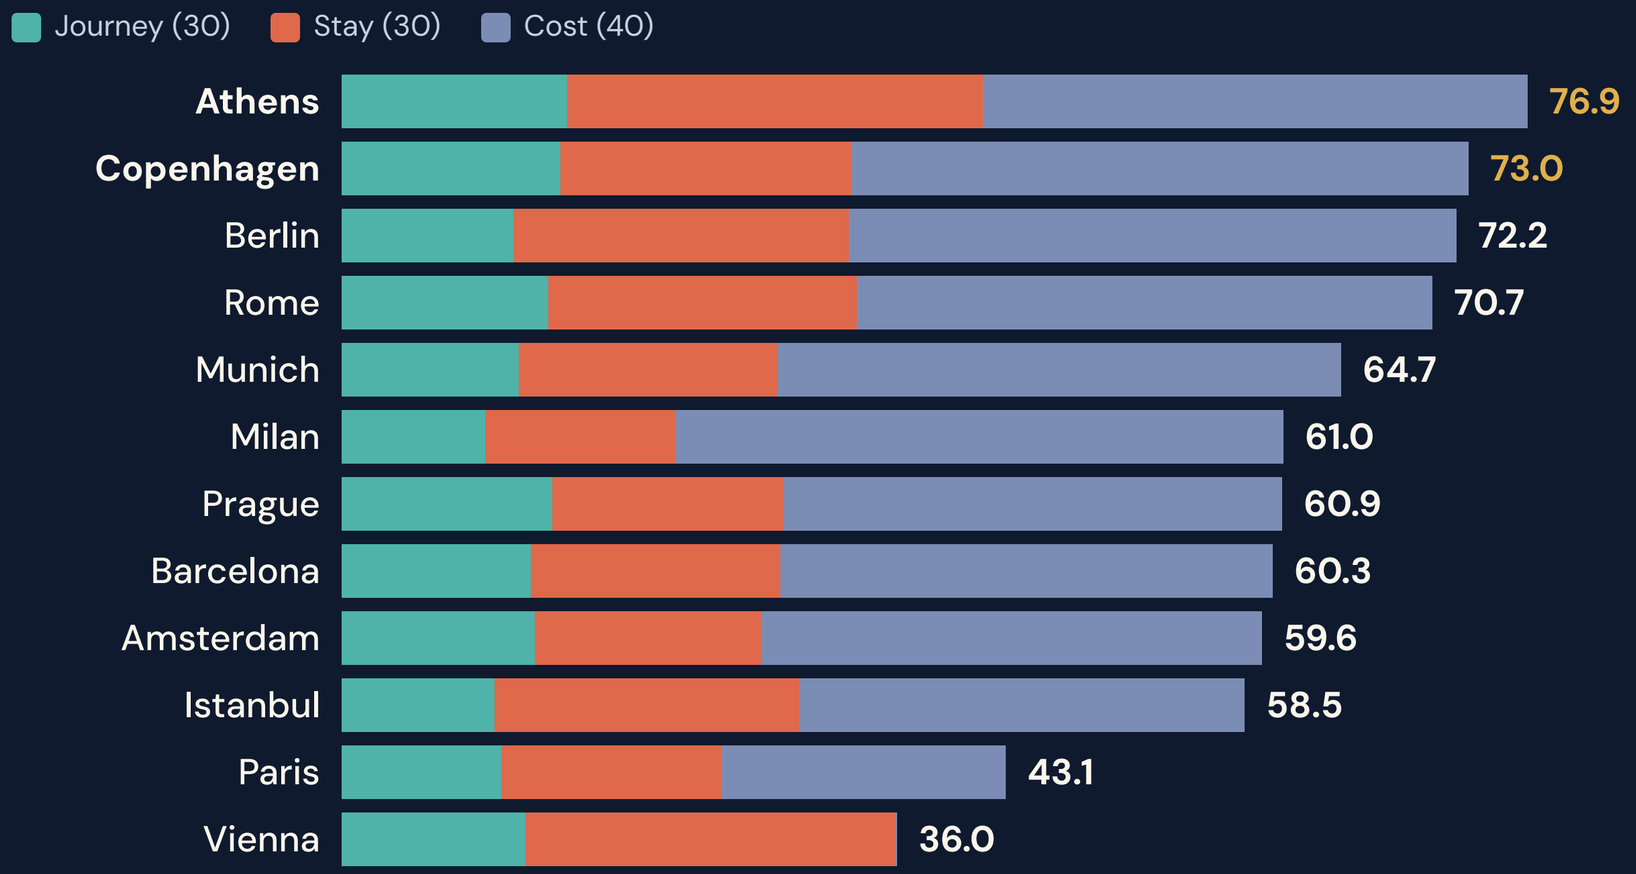

RECOMMENDATION

Option 1. The city is a group choice, so the trip is shared; Antonis's Abu Dhabi routing is personal, so its extra stays with him.

Scores in this deck use option 1. Option 2 keeps the same top four. Option 3 changes it: Berlin and Copenhagen first, Athens fourth, because each couple then pays its own long trips.

We agree the option together on the call. Nothing is fixed.

Scorecard: Athens leads, Copenhagen and Berlin close behind

What the scorecard says

27/30

Athens wins on the stay

A 3-unit flat at Syntagma, 7 min to everything, and nobody leaves before 09:22 on 2 Jan.

€3,210

Copenhagen wins on price

The cheapest trip, €1,070 per couple, and D&D only take the train. Cold and dark, though.

Our recommendation: Athens, Copenhagen or Berlin

FOR COMFORT

Athens

76.9

€3,984 trip · €1,328 per couple

Best flat, mild, the easiest 2 Jan. Long trips for D&D.

FOR COST AND EASY TRAVEL

Copenhagen

73.0

€3,210 trip · €1,070 per couple

Cheapest; D&D by train; Tivoli fireworks (paid); cold and dark.

IN BETWEEN

Berlin

72.2

€3,308 trip · €1,103 per couple

Good flat; free Gate party; cold, and Antonis out at 06:29.

Rome (70.7) is next. The top three are closer than the unverified details: the sealed bids decide.

Keeping it a group trip

1

One booker per cost

One person books the flat; each couple books flights to the agreed plan; settle at the end.

2

A shared expense app

Tricount or Splitwise: log the flat and shared activities as they're paid.

3

Settle once

After the trip, Tricount shows who sends what to whom. One transfer each, done.

YOUR TURN · BY SAT 17 OCT

1. **Say who you are**
2. **Pick what matters most**
3. **Vote 1st and 2nd**
4. **Mark any no-go**
5. **Send your sealed bid to Antonis**

Open the scorecard: New Year Tender Opening. Everyone bids on their own, privately; one minute on a phone. 1st = 2 points, 2nd = 1 point; Antonis counts on Sunday.

Decide 18 October, book flights by 31 October

Sat 17 Oct	Sun 18 Oct	By Tue 20 Oct	By Sat 31 Oct	November	About 19 Dec	29 Dec – 2 Jan
Sealed bids in	Bids opened, city picked	Book the flat (free cancellation)	Book flights	Gate tickets, timed sights, concerts	Weather and train check	Together

31 Oct is 59 days out: inside the cheapest window for Christmas travel. Compare both booking sites on the day: the same SAS ticket differed by up to €78 on 15 Oct.

Risks, and scams to avoid

Risk	What we do
Fares rise (Ryanair, easyJet +€31–34 overnight)	Decide 18 Oct, book by 31 Oct
Flat layout not as listed	Confirm 3 bedrooms with doors first
NYE 2026/27 not announced in most cities	Watch city sites from November
Antonis leaves 06:15–06:38 in six cities	Flat near the airport train
DSB timetable for 29 Dec / 2 Jan not out	Check the DSB app in December
Istanbul security context (Reuters)	Re-check advice in December

SCAM WARNINGS

- Free city parties are never sold: a paid ticket is a scam
- Flights on the airline's site or a known agent
- Never pay a host by bank transfer
- Concerts only from the venue or its partner

How sure we are, and sources

Item	Confidence	Why
Which cities pass the gates	HIGH	Antonis's 2 Jan options on two sites, every city
Flights, days and times	HIGH	Two booking sites; single-site legs named
Fares	MEDIUM	One snapshot, 14–15 Oct
Flats	MEDIUM	Layouts and cancellation dates mostly unconfirmed
Things to do	MEDIUM	Most NYE programmes are last year's
Climate	HIGH	Long-term averages, not a forecast
Order of the top three	LOW–MEDIUM	Within about 5 points
